# SWAD SCHOOL PROGRESS REPORT

- Class - Pre-Nursery
- Class teacher - Mrs. Preeti
- **Advik** is a student of the pre-nursery class, who initially showed a lack of interest in his studies. He was irregular in attending school and faced difficulty in completing his written work neatly and properly. As a result, his performance suffered, and he secured a 'B' grade in his December examinations. During the Parent-Teacher Meeting, his class teacher discussed the concern with his parents and advised them to ensure that he attends school regularly. Motivated by this guidance, Advik began coming to school consistently and became more focused towards his studies. His dedication paid off, and he achieved an 'A' grade in his final exams.
- Class - Nursery
- Class teacher - Mrs. Geeta
- **Ritik** is a bright and intelligent student in the nursery class. However, he was reluctant to participate in the morning assembly or engage in oral activities. He never recited poems in front of class. Observing this, his class teacher decided to help him creatively. One day, she took the entire class to the smart classroom, where she played poems on the screen and encouraged all the students to recite together. This new method of teaching had a positive impact on Ritik. Slowly, he became more confident and started actively participating in the morning assembly and began reciting poems without any fear. He improved in academics and scored an excellent percentage of 93% in his final examination.

# SWAD SCHOOL PROGRESS REPORT

- Class - L.K.G
- Class teacher - Mrs. Lata
- **Shivaay**, a Lower Kindergarten student, shows a strong aptitude for learning. In his December exams, he secured 77% marks, reflecting a good foundation in his studies. However, with consistent effort, dedication and a strong work ethic, he made impressive improvement by the time of his final exams, where he scored an outstanding 93%. He is steadily becoming more confident and consistent in his academics. Credit goes to his class teachers, whose constant support and guidance encouraged him to stay focused and motivated.

- Class - U.K.G
- Class teacher - Mrs. Saroj
- **Kunal** is a dedicated and outstanding student who excels in both academics and class activities. He shows great enthusiasm for his studies and actively participates in various school events. After the December exams, he had to visit his native village due to some urgent family matters and returned in February 2025. During his leave, the class teacher regularly shared classwork through WhatsApp, which Kunal diligently completed and submitted. Upon his return, he put in tremendous effort in all his subjects and also took part in the school sports day, where he won first prize in the frog jump race. His hard work paid off as he achieved an impressive score of 90% in his final exams.

*Alambana Program*

# SWAD SCHOOL PROGRESS REPORT

- Class - Alambana
- Class teacher - Miss Antima
- **Viraj**, a student of the Alambana class, has shown remarkable progress in his studies. In the past, when Viraj went to his native village, he would lose focus and forget all the learning which he had done in school, and his performance came down in academics. His class teacher took the initiative to give him additional homework and self-practice exercises to help him stay engaged with his studies, even during his time away. Gradually, Viraj began to understand the concepts more clearly and developed a stronger grasp of the subjects. Due to his consistent efforts and dedication towards his studies, he performed exceptionally well and secured an outstanding score of 95% in his final exams.

## Navjivan Health Service & National Unity and Security Council (NUSC) in collaboration with CII IWN holds 'Stree Samarthyha' summit

A.S. PRASHAR  
PUNJAB EXPRESS BUREAU  
Chandigarh, March 28

Stree Samarthyha summit, a path breaking initiative of the century-old Navjivan Health Service and National Unity and Security Council (NUSC), received a tremendous response from different stakeholders, reiterating their commitment to the holistic empowerment of women.

The event was graced by Punjab Governor Gulab Chand Kataria as the chief guest. The summit was organised at Confederation of Indian Industry (CII) Northern Region Headquarters here, by Navjivan Health Service & NUSC in collaboration with CII IWN (Indian Women Network).

During the event, the Governor released a coffee table book on women empowerment - 'Chitratma Stree Samarthyha' on the occasion.

The Governor in his address said, "Naari ek sanskaar shaala hai (A woman, in herself, is an institution of moral values and ethics). He added that naari ko jis morche pe lagaya usne wahan jhanda gaarha hai, naari mein apaar shakti hai... which means (A woman achieves wonders in whichever field she is deployed and that a woman has immense power). The Governor asked the organisers to connect with needy women and provide them with benefits of government schemes for women.

He added that India's dream of becoming a developed nation by 2047 cannot be realised without the progress of women.

Meanwhile, Dr Monica B Sood, CEO, Navjivan Health Service and Chairperson, NUSC and Ritika Singh, Chairperson, CII Indian Women Network (IWN), Chandigarh Region, shared details of the event at a press meet held on the side-lines of Stree Samarthyha.

Dr Monica B Sood said, "Stree Samarthyha Summit-2025" is a

transformational confluence of minds, hearts, and voices aimed at finding solutions that genuinely empower women. 'Stree Samarthyha' is a movement to awaken the inherent power within every woman — from the cities of Delhi and Mumbai to the villages of Bastar and Bhagalpur. I am sure if this is done a woman will not just change her life, but also change for the better the nation's future."

Talking further about Stree Samarthyha Summit-2025, Dr Monica B Sood said that the summit addressed seven pillars of holistic empowerment of women: mental health and emotional well-being; financial literacy and economic empowerment; female health and HPV awareness; legal rights; cyber safety & physical security of women; women education and woman entrepreneurship.

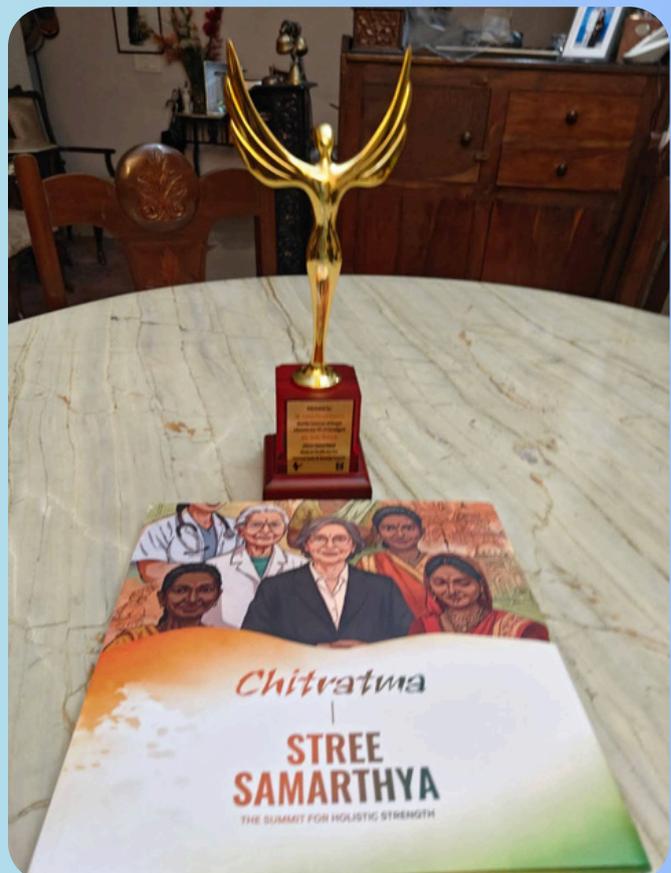

Ritika Singh, Chairperson CII IWN and entrepreneur, said that the all-round empowerment of women is key to realizing the goal of Viksit Bharat. "CII IWN appreciates the efforts of Dr Monica B Sood and her dedication towards the empowerment of women. We are happy to have collaborated with her for a great cause," added Ritika Singh.

The summit featured an impactful panel discussion on the most pressing issues affecting women today. The discussions were moderated by veteran journalist and media expert Jaskiran Kapoor. Eminent panelists included Kavita Das, accomplished educationist; Greetanjali Khaunderwal, SP, Crime, Women and Child Welfare, Chandigarh,

and Sandeep Sahni, a financial strategist. The other panelists were Shabana Azam, psychologist; Pooja Nayar, legal expert; Ritika Singh, Chairperson CII IWN and entrepreneur, and Dr Preeti Jindal.

In recognition of exceptional contributions made by women across sectors, the 'Stree Samarthyha Summit-2025' also felicitated women change makers from diverse fields — teachers, entrepreneurs, homemakers, police officers, doctors, social workers, artists etc.
